Superfund Site Consent Decree

Revised Oversight Billing 2010

Dear Mr. Gee:

The original billing for Richardson Flat Tailings Superfund Site GU1 (Site) has been revised due to inaccurate payroll costs. The Environmental Protection Agency (EPA) included line items in the original oversight bill that were incurred by EPA as a result of the Engineering Evaluation/Cost Analysis (EE/CA) and removal action discussions relating to the proposed Richardson Flat Operable Units 03 and 04. This work is outside of the scope of United Park's contractual responsibility for Operable Unit 01.

The enclosed revised accounting is for costs incurred by the United States for response activities conducted at the Richardson Flat Tailings Superfund Site OU1 (Site) under the authority of the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA) as amended. Specifically, this accounting is submitted to you for payment pursuant to Consent Decree 2:07-CV-00642-BSJ, Section XVI, Payment of Response Costs.

This billing is solely for recovery of Government response costs; any fines and/or civil penalties due will be billed separately. Pursuant to Paragraphs 52 through 54 of the above-referenced agreement, the amount of \$4,375.40 is now due. This amount is for the time period of January 01, 2010, through December 31, 2010. United Park City Mines shall, within 30 days of receipt of this accounting, remit all funds. Should payment not be made within the specified time frame, interest shall begin accruing at the rate of .69% per annum beginning with the date of this letter, and shall continue to accrue on the unpaid balance until such costs and accrued interest have been paid in full. The interest rate changes October 1 of each fiscal year. Calculation of interest will be based on current interest rates.

The United States reserves its right to recover any costs incurred during the period covered by, but not included within, this accounting and to recover any past or future costs not reimbursed under the above referenced Administrative Order on Consent.

Payments must be received by 11:00 AM Eastern Time for same day credit and should be made payable to EPA - Hazardous Substances Superfund and forwarded to one of the addresses below. Payment, in the form of a cashier's check or certified funds, should be mailed to:
